Copies of the Director's letter to me on this subject, No. 4107 of the 11th inst, & my reply No. 1265 of the 14th idem are enclosed for reference. The rules regarding the issue of priority certificates do not contemplate the priority except for the movement of commodities called essential commodities. When heads of departments & other responsible officers ask for certificates for the movement of other articles required for Government purposes, priority is given with reference to the availability of wagons. Instead of Heads of Depts giving certificates to contractors, it is proposed that they should address me themselves

OFFICE OF THE
DIRECTOR OF INDUSTRIES AND COMMERCE, IN MYSORE.

Bangalore, 14th August *1919.*

FROM

V. RANGASAWMY IYENGAR, ESQ., B.C.E.,
Director of Industries and Commerce in Mysore,
Bangalore (India.)

15 AUG 1919

To

The Secretary to Government,
Departments of Education & Agriculture,
Bangalore.

SIR

I have the honour to forward herewith, for favour of early orders of Government, a copy of letter No.262 of the 5th July '19 together with its enclosures in original, (to be obligingly returned when no longer required,) received from the Chairman of Mysore Chamber of Commerce, Bangalore, requesting me to move the Government to issue an order to Heads of Departments requesting them to issue a certificate to Government Contractors certifying that the commodity contracted for is urgently required for Government purpose &c., to enable them to obtain priority certificates from the Director of Civil Supplies for transhipment in Railway, whenever necessary.

II. I would strongly support the recommendation of the Chamber of Commerce that a standing order to the effect that the heads of all departments and other officers concerned should, if demanded by the contractors, necessarily send a requisition for a priority certificate on behalf of their tenderer, if it is in the interest of Government work.

I have the honour to be,
Sir,
your most obedient servant,

V Rangasawmy Iyengar

DIRECTOR

Letter No.407 dated the 11th July 1919 from the Director of Industries and Commerce in Mysore, to the Director of Civil Supplies in Mysore, Bangalore.

I have the honour to forward herewith copy of letter No.262 of the 5th July 1919 received from Mr. W.C. Rose, the Chairman of the Mysore Chamber of Commerce, Bangalore, together with its enclosures in original to be obligingly returned when done with, in connection with the priority certificate required for the carriage of timber ordered for the Engineering College Workshop and to request you to be so good as to issue a certificate for a waggon to dispatch the timber from Mysore to Bangalore as it is required for a Government Institute.

2. I would consider that the course of action suggested by the Chairman of the Chamber of Commerce regarding supply of timber to Government contractors might be adopted if agreeable.

Letter No.1265 of the 16th July 1919 from the Director of Civil Supplies in Mysore, to the Director of Industries and Commerce in Mysore, Bangalore.

I have the honour to return herewith the original enclosures to your letter No.407 of the 11th instant and to state that the Chairman of the Mysore Chamber of Commerce does not appear to ask for a priority certificate in this particular case. What he wants is to know whether you can arrange with the Government for issuing an order to the heads of departments requesting them to issue certificates to Government contractors. If a priority certificate in this particular case is required, I shall be glad to do so on receipt of a requisition from the head of the department concerned. Regarding the suggestion of the Chamber of Commerce that heads of departments should issue certificates to Government contractors, I have the honour to state that it would be preferable that the heads of departments desiring the issue of priority certificates for the import of particular consignments of goods required for Government purposes should apply to me direct.

Letter No.262 dated the 5th July '19 from the Chairman Mysore Chamber of Commerce, Bangalore, to the Director of Industries & Commerce, Bangalore.

We beg to enclose for your perusal letter in original dated 19th May 1919 with its accompanying enclosures from Mr. S. Kodanda Ramiah drawing the attention of the Committee of the Chamber to the difficulty he has experienced in obtaining a priority certificate for the carriage of timber in fulfilment of apparently a Government order. Will you kindly inform me if it is possible for you to arrange with the Government for the issue of an order to the Heads of Departments requesting them to issue a certificate to Government Contractors certifying that the commodity contracted for is urgently required for Government purposes on their satisfying themselves of the bonafides of the application?
